Themed Events

Experience Thailand Guests, dressed in multi-colored traditional attire, are welcomed to the Land of Smiles by participating in the age old custom of floating banana leaf krathongs on the lagoon, before joining a festive long drum procession to a traditional village setting. Savor authentic cuisine from the four regions of the kingdom amid vivid Thai silk and cotton table settings, complemented by a stunning backdrop of the Grand Palace.

Tropical Beach Party As the sun sets slowly over the shimmering Andaman Sea, a traditional long-tail boat transports you back in time to a local fishing village idyllically situated on a beautiful, deserted beach. Mesmerizing firelight, rhythmic chanting and slow-beating drums welcome you to an exotic dinner setting. A crackling bonfire slowly roasts a delicious suckling pig. Thatched huts offer a bounty of fresh seafood and barbecued delights.

Jungle Night Return to the distant past when seekers of fortune traveled to tropical Southeast Asia in search of exotic adventure. This indoor jungle experience begins just outside the ballroom or marquee with special cocktails made from the freshest local fruits mixed with unique liquors and aperitifs. The event is unforgettable as spectacular lighting and the sounds of the jungle highlight a performance by a professional troupe of dancers who twirl fire batons and demonstrate the exciting dances of Polynesia.

Floating Market Experience a truly exotic and traditionally Thai dining and entertainment extravaganza with our Floating Market theme. Guests are escorted by boat across the tranquil lagoon to their destination: a traditional Thai village setting situated along the banks of a river. The spectacle of daily life along the riverbank is sure to thrill visitors to the Land of Smiles as they take their place aboard a dining boat in the middle of the lagoon. A one-of-a-kind themed dinner, the Floating Market allows guests to choose their very own dishes, which are served from aboard small rowboats.
